ROADSHOW for the week beginning July 12, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

Jefferson County:

Westbound Interstate 64: Right lane may be closed between Hurstbourne Parkway and I-264 (mile points 15.0 and 12.2) due construction of auxillary lane. Lane closure is scheduled during the evenings of **Monday, July 12th through Friday, July 16th from 7:00 p.m. each evening until 6:00 a.m. the following morning. The speed limit will be reduced to 45 MPH in the work zone.**

Interstate 265: Lane closures and delays possible between the Seatonville Road overpass and Taylorsville Road (mile points 18.8 and 23.3). The roadway may be reduced to one lane **weeknights Monday – Thursday from 7:00 p.m. until 6:00 a.m. the following morning. On weekends, lane closures are possible from 7:00 p.m. on Friday until 6:00 a.m. on Monday.** The speed limit in the work zone will be reduced to 55 MPH.

Interstate 64: Lane closures and delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. Traffic stoppages are possible in each direction daily between 9:00 a.m. and 3:00 p.m. during blasting operations. Westbound I-64 traffic lanes are split with permanent barrier wall between the two travel lanes. All traffic exiting westbound I-64 to I-265 must be in the right lane at the beginning of the lane split. **Motorists should be aware that the shoulders are limited and narrow at the bridge crossings. Lanes will be restricted to 12 feet in width.** The speed limit is reduced to **55 MPH** in the construction zone and this is a **double fine work zone**. Construction is scheduled for completion in the fall of 2010. As part of this project, **Clark Station Road is closed at the I-64 overpass. The road is closed until November for removal and replacement of the bridge. Motorists should follow the signed detour via US 60 to Conner Station Road (in Shelby County) to KY 148.**

KY 1531 (Eastwood-Fisherville Road): The roadway will be closed at the Interstate 64 underpass (mile point 8.1) due to removal of an existing structure as part of the I-64 widening. The roadway will be closed from 7:00 a.m. on Wednesday, July 14th until 5:00 p.m. on Friday, July 16th. Motorists should follow the signed detour via Gilliland Road.

Interstate 264/Interstate 64 interchange: Shoulder closures and delays possible at the ramp to westbound I-64 approaching the Sherman Minton Bridge (mile point 0.1) due to ramp replacement.

US 31 (Clark Memorial Bridge): Lane closures possible from 9:00 a.m. until 3:00 p.m. due to bridge repairs.

US 31W (Dixie Highway): Lane closures and delays possible at the bridge over the Salt River (mile point 0.03) due to bridge repairs. The speed limit is reduced to 45 MPH in the work zone.
